

CLARIFICATION TO PURCHASE OPTION PACKET

In the Purchase Option Packet on Page 10 and Page 17 for the definition of “Alcohol-Related Product” there is a typographical error which states “but not limited to video lottery”. The “to” in the definition is the typo. As the Purchase Option Packet states it is each licensee’s responsibility to review the code, rules and the packet carefully.

The West Virginia Code and the rules at 175 CSR 5 §2.6 control and clearly state that:

“Alcohol-related products means any non-alcoholic beer or beverages; non-alcoholic mixers; decanters; glass or plastic cups; openers, corks, or stoppers; gift bags; books, magazines or novelties; traditional West Virginia lottery products, such as: instant games, Keno, Powerball, Hot Lotto, daily games and Cash 25, **but not limited video lottery**; or such other alcohol related items as determined by the Commissioner, on a case by case basis, after receipt of a written request from an active retail licensee which must be sent to the Commissioner’s office via certified mail.”

Limited Video Lottery is not an Alcohol-related product. Therefore, Limited Video Lottery is not permitted.
